

The 100 Club of Buffalo, Inc. is an independent, non-profit, non-political organization that's sole purpose is to provide services to the members of local law enforcement, fire services and emergency medical services (EMS), both paid and volunteer, and their families.

When funeral and burial arrangements must be made at the time of death, rather than having been pre-arranged, grieving families must make difficult decisions during a time of stress and emotional exhaustion. Selecting both a well respected funeral home and a cemetery that meets the personal and faith-based preferences of the family can be daunting.

With that in mind, the Mount Calvary Cemetery Group and the Dengler & Roberts Funeral Homes joined together creating **The 100 Club Funeral and Burial Funds** providing free services as part of **The 100 Club Fallen Emergency Service Provider Program**. Other area cemeteries including the Forest Lawn Group, Elmlawn and the six Diocese of Buffalo cemeteries soon joined them.

This Fund provides complete funeral arrangements through the Dengler & Roberts Funeral Homes and a \$1,500 credit for the exclusive purchase of a grave, crypt or niche within any of the participating cemetery properties. These free benefits are available for each fallen public safety officer, fire fighter or emergency medical services (EMS) person who dies in the line of duty or as the direct or proximate result of a traumatic injury sustained in the line of duty. Any portion of money reserved in **The 100 Club Burial Fund** that is not used will be returned to the program. In addition, the cemeteries provide a 10% discount on burial space to the surviving spouse if and when arrangements are made for their services, either pre-need or at-need.

To take advantage of **The 100 Club Funeral and Burial Funds** program, applicants must have completed **The 100 Club Fallen Emergency Service Provider Program Form** in advance. It is available on the 100 Club website at www.100clubbuffalo.org or by contacting Arthur F. DuC. Musarra Esq. at (716) 856-7330. His services are available without charge for issues relating to Burial Fund services.

In every community there is a group of dedicated men and women who risk their lives daily to protect the members of that community. They consider the risk to be part of the job. Unfortunately, the citizens of those communities often fail to understand the hardships inherent in carrying out these important tasks.

The 100 Club of Buffalo, Inc. recognizes the obligation which we all owe to our police, fire and emergency medical services agencies.
